COMPANY ABOUT US

I would like to introduce Attire Trims Pvt. Ltd., based in Pakistan. For the past eight years, we have specialized in manufacturing and printing a comprehensive range of garment accessories, including offset printing, twill tapes, canvas tapes, and labels. Our state-of-the-art machinery and highly skilled team ensure that we deliver products of the highest quality to our international customers.

Attire Trims Pvt. Ltd. is proud to be a certified manufacturer with Oeko-Tex, FSC, and GRS certifications. These certifications underscore our commitment to sustainability and quality. Certificates are attached on pages 13, 14, and 15.

We are a nominated trims and accessories supplier for M/S TEDDY S.P.A., a renowned Italian garment brand. Additionally, we produce garment accessories for several other notable brands and factories, including Gul Ahmed Textile Mills, Yunus Textile Mills Limited, Sadaqat Limited, Kamal Limited, Kay & Emms Pvt. Ltd., Interloop Limited, Towellers Limited, Mount Fuji Limited, and Mustaqim Dyeing and Printing Factory, among others.

We are dedicated to becoming a trusted partner in your supply chain. We look forward to understanding your requirements and developing samples tailored to your needs.

OUR SOLUTIONS

Our Awesome Services For Garments Industry

Woven labels are crafted using specialized Jacquard looms with dyed yarns and filaments, ensuring they provide brand identity throughout the garment's lifetime.

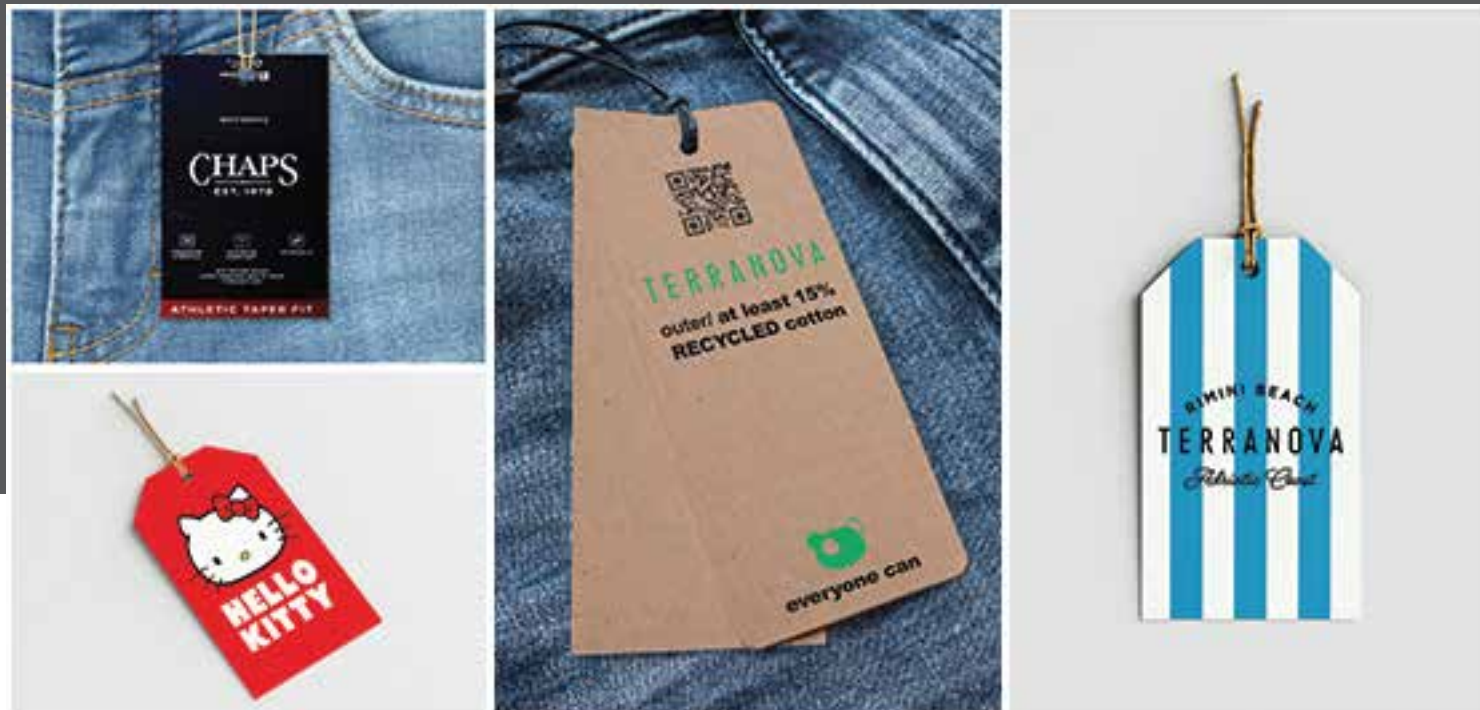

As a professional woven label manufacturer, we design and create highly finished, elegant, and attractive woven labels tailored to meet our customers' expectations and reflect their brand's style.

Our high-quality machines produce thousands of woven label designs with precise and delicate customization options, including logos and unique patterns.

PU / Jacron patches, crafted from synthetic materials, epitomize contemporary style and durability. Their synthetic composition ensures longevity and resilience, making PU patches a reliable choice for brands aiming to make a lasting impression.

Typically seen in tan or camel hues with black writing, PU patches offer endless customization options. Brands can experiment with colors, fonts, and designs to create patches that align perfectly with their unique aesthetic and branding needs.

Offset printing produces exceptional image quality, with fine detail and rich colors, making it ideal for high-volume print runs.

Known for its consistent color and image quality, offset printing is the preferred choice for garment branding tags and paper trims, such as:

Hangtags

Size tags

Barcode labels

Packaging

Promotional materials

Its adaptability to various substrates further cements its status as an indispensable tool for businesses seeking professional-grade printed materials.

PACKAGING

As a premier manufacturer of satin labels, we design and produce visually appealing & durable labels. Our advanced production techniques allow for intricate customization, including detailed logos & vibrant colors, to match your brand's identity perfectly.

Satin labels are ideal for high-end fashion & delicate garments, providing a sophisticated branding solution that enhances the overall aesthetic.

We offer competitive bulk rates for various label sizes, making it cost-effective to customize and order in large quantities.

As an expert manufacturer of taffeta labels, we create labels that combine functionality with aesthetic appeal.

Our state-of-the-art machinery allows for detailed customization, including logos, text, and intricate designs, ensuring your brand stands out.

Taffeta labels are perfect for a wide range of garments, from casual wear to outerwear, providing a versatile and cost-effective option.

We offer competitive bulk rates, allowing you to order custom labels in various sizes to suit your needs.

TWILL & CANVAS TAPES

06

Twill & Canvas tape, characterized by its distinctive diagonal weave pattern, is a versatile and durable fabric strip widely used in the garment industry. Made from high-quality cotton or polyester, twill and canvas tape are renowned for their strength and resistance to fraying, making them ideal for various applications such as:

- Reinforcing seams
- Binding edges
- Creating drawstrings

As a premier twill tape manufacturer, we produce products that blend functionality with aesthetic appeal.

Our advanced production capabilities allow for detailed customization, including various colors, widths, and patterns, to suit your brand's unique requirements.

Twill tape is perfect for adding a professional finish to clothing, accessories, and home textiles.
